MAY

■ How Much is that Doggie in the Window? Puppy Mills—The Grim Reality

- This program seeks to educate the audience about the widespread practice of breeding dogs on large breeding farms (i.e., puppy mills), in conditions that range from substandard to cruel. Many of the puppies bred in these conditions are so unhealthy that they die while being transported to pet shops. In addition, the excessive number of puppies bred in these mills exacerbates the existing dog overpopulation problem.

■ **TUESDAY, MAY 4, 1999, 6:30-8:30 P.M.**
House of the Association, 42 West 44th Street

■ Moderators:
